Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower height division than they are eligible for will be eliminated.

**JUDGING INFORMATION**

**Check-In will begin at 7:00 AM MT all days.**

**Judging will start at 8:00 AM MT on all days.**

Check-in for all dogs, judge's briefing, and walk through will take place prior to start time. Electronic timers will be used. Excellent/Master level classes and Time to Beat may have split walk through depending on entry size.

**Dogs may arrive** any time prior to judging. Dogs that need to be measured must be available for measuring prior to the start of their class. All dogs not needed for further judging will be excused.

**Judges are not required** to wait for dogs. They will adhere as closely as possible to the judging schedule. The owner or handler of each dog is solely responsible for having it ready at ringside when it is to be judged. Neither the club nor the Trial Secretary have any obligation or responsibility to provide a service, through a public-address system, or stewards, or runners, for the purpose of calling or locating dogs that are not present at ringside.

A marked catalog will be emailed to all exhibitors, please allow 2 weeks for delivery. Running order sheets will be available to all exhibitors at no charge.

**COURSE WALK-THROUGHS AND WARM-UP INFORMATION**

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only.

A warm-up area, consisting of a regulation agility jump, will be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent. Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility Trials. All classes will take place outdoors on a grass surface. Ring size will be 100'x100'. Ring will be sheep fence and will have gates at the entrance and exit of the ring.

## HEIGHT DIVISION

REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers. Regular Dogs may not be entered in this height if they are 22 inches and under.
24C"	n/a	Dogs may be entered at this height at their owner;s discretion if their measurement is 22 inches and under at the withers. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

### Measuring and Height Card Information

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

### NEW Simplified Jump Height Card Process

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog needs to be officially measured. Please check the box so that the Trial Secretary knows whether to include your dog on the Dogs To Be Measured List.

### Dogs Eligible to Enter

This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), an AKC Canine Partners listing number, or approved Foundation Stock Service (FSS) breeds are eligible to participate.

Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Wherever the word "dog" is used in these regulations it includes both sexes. Dogs should be physically sound. Dogs that are blind shall not be eligible and neither are aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate. Puppies under four months of age are strictly prohibited from the trial grounds.

After the close of entries a dog, which has been entered in a Novice "A" class for which it is not eligible to be entered in due to class restrictions on the dog or handler, may be moved to the Novice "B" class. A request must be submitted to the trial secretary at least 30 minutes prior to the start of EACH trial and must state the reason and justification for the move. A dog may be moved down in their class level (i.e., Master to Excellent). The request for the move to the class for which the dog is eligible must be in writing and submitted to the superintendent or trial secretary at least 30 minutes prior to the start of the trial. (Chapter 1 Section 21)

## RIBBONS, AWARDS, AND PRIZES

Ribbons will be awarded in each jump height division in each class as follows:

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767.

USE THIS FORM TO MOVE UP TO A HIGHER AGILITY CLASS ONLY

It is the option of the club to allow day-to-day move-ups. Exhibitors should refer to a club's premium list to verify the club's policy for moving a dog up. If offered, dogs shall be moved up to a higher class at the request of the owner, as a result of the dog qualifying for an agility title.

The request for moving up must be made to the Trial Secretary according to the club's published policy. All move-up entries are subject to availability of the class and payment of any difference in entry fee. Dogs so moved-up will be entered at the end of the running order.
